international oil prices are likely to be reflected in the domestic prices of petrol and diesel.

The retail selling prices of petrol and diesel at Delhi were revised twice during March 2003 by the PSU oil companies as given under:

Rs/Litre

	1.3.03	16.3.03
Petrol	32.10(1.39)*	33.49(1.39)*
Diesel	21.21 (1.37)*	22.12(0.91)*

(*Figures in brackets give increase over the earlier price.)

The increase in prices of diesel and petroleum impacts directly Wholesale Price Index (WPI) based inflation through their weight In WPI. There is also an additional indirect impact of roughly equal magnitude on WPI based inflation of such increase in the prices of diesel and petroleum.

The Government is monitoring the situation.
